The Doxxing of @DiesegenChukFi

Details

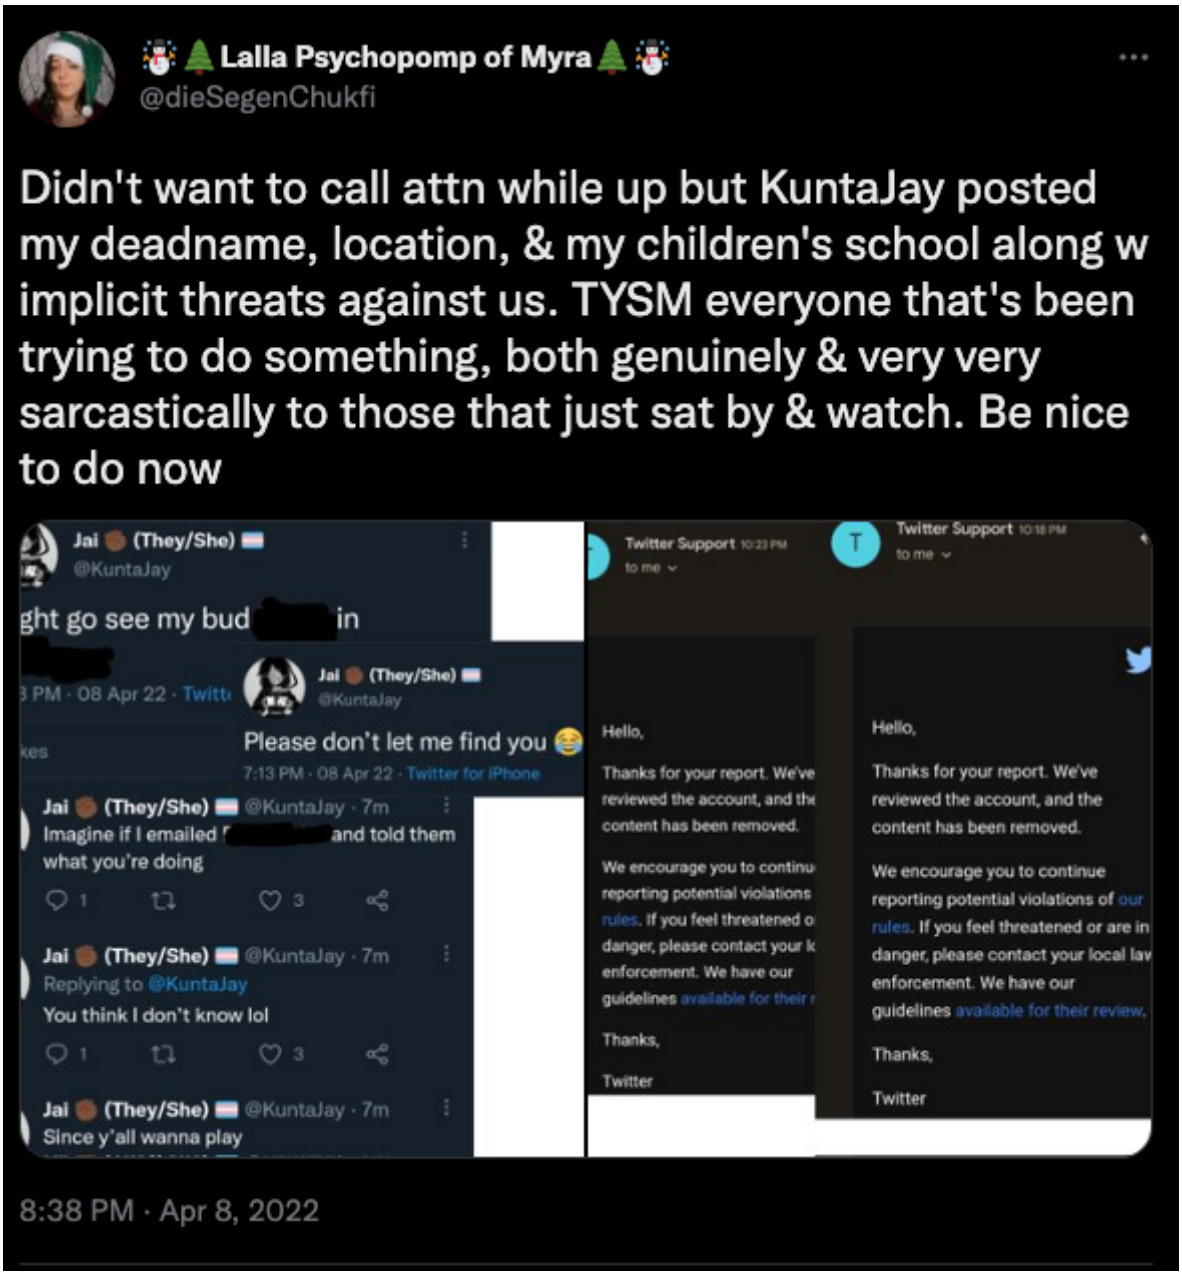

- Incident Date: 2022-04-08
- Key Members: Jai, DieSegenChukFi
- Type of Harassment: Doxxing, Transphobia, Threats

Background

Laila (@diesegenchukfi) had been defending Chinch after months of harassment from the Pawg Patrol, when Jai decided to attempt to intimidate her by posting thinly veiled threats.

Synopsis

On April 8th, 2022, Jai (as @KuntaJay) posted several tweets wherein she deadnames @diesegenchukfi, posts the name of her children's school (where Laila was also employed), and then attempts damage control in a classic case of Context Collapse.

Laila's tweet describing the doxxing

A collage of Jai's doxxing (redacted)

On April 9th, Jai attempts to walk back the incident, starting the justification and muddying the waters for the jorbiters to begin to form the victim narrative that tends to follows an incident.

Jai's first attempt to walk back the doxxing

Jai then made the claim that no doxxing took place as no information was supposedly shared:

Jai's second attempt to walk back the doxxing

Jai attempts to recontextualize the incident
